The Employer agrees to supply and provide suitable space for the Union bulletin board in each center, hub, or place of work. Postings by the Union on such board are to be confined to official business of the Union and on the Union's official letterhead or TITANS. In each package center there shall be a covered bulletin board. Union Stewards shall have a key for the Union bulletin boards. The Employer shall not remove, tamper with or alter any notice posted by the Union unless such notice is harmful to the Employer. Any such notice removed by the Employer shall be re-posted if the Union's position is sustained through the grievance procedure.

ARTICLE 20. EXAMINATION AND IDENTIFICATION FEES

Section 1. Required Examination

Physical, mental or other examinations required by a government body or the Employer shall be promptly complied with by all employees; provided, however, the Employer shall not pay for any time spent in the case of applicants for jobs, but shall be responsible to other employees only for time spent at the place of the examination or examinations where the time spent by the employee exceeds two (2) hours, and in that case only for those hours in excess of said two (2). Examinations are to be taken at the employee's home area and are not to exceed one (1) in any one (1) year, unless the employee has suffered serious injury or illness within the year. Employees will not be required to take examinations during their working hours unless paid by the Employer for all time spent. Employees shall be given reasonable notice of dates of examinations.

Section 2. Return to Work Examination

It is understood by the Employer and the Union that once an

employee notifies the Employer that he/she has been released to return to work by the employee's doctor, the Company doctor must examine the employee within three (3) working days from the time the employee brings the return-to-work slip to the Employer.

Section 3. Third Doctor Procedure

The Employer reserves the right to select its own medical examiner or doctor and the Union may, if it believes an injustice has been done an employee, have said employee re-examined at the employee's expense. If the two (2) doctors disagree, the Employer and the Union shall mutually agree upon a third (3rd) doctor within ten (10) working days, whose decision shall be final and binding on the Employer, the Union and the employee. Neither the Employer nor the Union will attempt to circumvent the decision of the third (3rd) doctor and the expense of the third (3rd) doctor shall be equally divided between the Employer and the Union.

If the third (3rd) doctor agrees that the employee should be returned to work, the employee shall be reimbursed at his/her daily guarantee, less any other monies received back to the date of the examination by the Company doctor. It shall exclude any time the employee was not available for examination or work.

Section 4 - Disqualified Driver - Alternative Work

Except as provided for in Article 16, a driver who is judged medically unqualified to drive, but is considered physically fit and qualified to perform other inside jobs, will be afforded the opportunity to displace the least senior full-time or part-time inside employee at such work until he/she can return to his/her driving job unless otherwise provided for in the Supplements, Riders or Addenda. While performing the inside work, the driver will be paid the highest part-time rate as an employee with equivalent seniority or current area practice. If no full-time inside position is available, the Employer will meet with the Local Union to develop a full-time position, if possible out of available work.
